Message from MD

Welcome to the passionate world of SHIN DAE UN!

PMC / MMC / UMC / Phenol Resin:

Beginning in 1985 for manufacturing Phenol Formaldehyde Compounds in S.Korea, today SDU are leading supplier of Phenol Resins, PMC, MMC & UMC worldwide, mainly to Asian countries.

Home Shopping Franchise:

In 2010-11, SDU ventured in to Home Shopping franchise business in Thailand. We are one of the leading suppliers to Korean home shopping giants; GS, CJ and Hyundai with over 25 products ranging from Healthcare to Leisure to Kitchen appliances.

CUWIN Mask Non Woven Fabric::

SDU started importing and distributing N95 masks during 2018 when Bangkok suffered severe air pollution. Later company established state-of-art manufacturing plant in Bangkok. We are one of the leading manufacturers of N95 masks as well as first ever plant of PP NW Meltblown fabric in Thailand. CUWIN Masks are approved by Thailand board of CCSA, etc. We are

proud supplier of masks to Thailand's largest retail chain of 7/11 and to reputed corporate like Samsung. We are equally active on social front for the welfare of Thai people with distribution of masks during Covid crisis.

Plastic Raw Materials:

S. Korea hosts nearly 30 Petrochemical Plants. We extend host of plastic raw materials to overseas markets. FTA between India and key Asian countries facilitates increasing trade both ways. Our vital sources of prime and non-prime plastic raw materials & scrap are from S.Korea, Thailand, Singapore, Malaysia, Japan, China, USA, etc.

SDU promises innovative & honest business practices with their customers. We urge you to link your business with the passionate world of **SHINDAEUN**.

Thank You!

Ahn Dae Seob
